Professor DONG Qi graduated from Fudan University with a Bachelor Degree of Arts in Russian in 1978, and then majored in German in Tongji University. He has long been specialized in German studies and comparative education studies.

同济

Professor DONG Qi
Vice President, Tongji University
Paris, 16th Nov. 2009

International Cooperation with Europe

- Sino-French institute of Engineering & Management (IFCIM, 1999)
- Sino-German College for Graduate Study (CDHK, 1998)
- Sino-German College of Applied Sciences (CDHAW, 2004)
- Sino-Italian Campus (2006)
- UNEP-Tongji Institute of Environment for Sustainable Development (IESD, 2002)
- World Heritage Institute of Training and Research for Asian-Pacific region (Shanghai Center) affiliated to UNESCO (2005)

International Cooperation with Europe

- Cooperation with UK like *Sino-British Chongming Eco-Island Research program*
- Cooperation with ETH Zurich, Switzerland like *HolcimAwards for Sustainable Construction*
- Cooperation with TU Delft, Netherlands like *Joint Workshop in Architecture and Urban Planning*

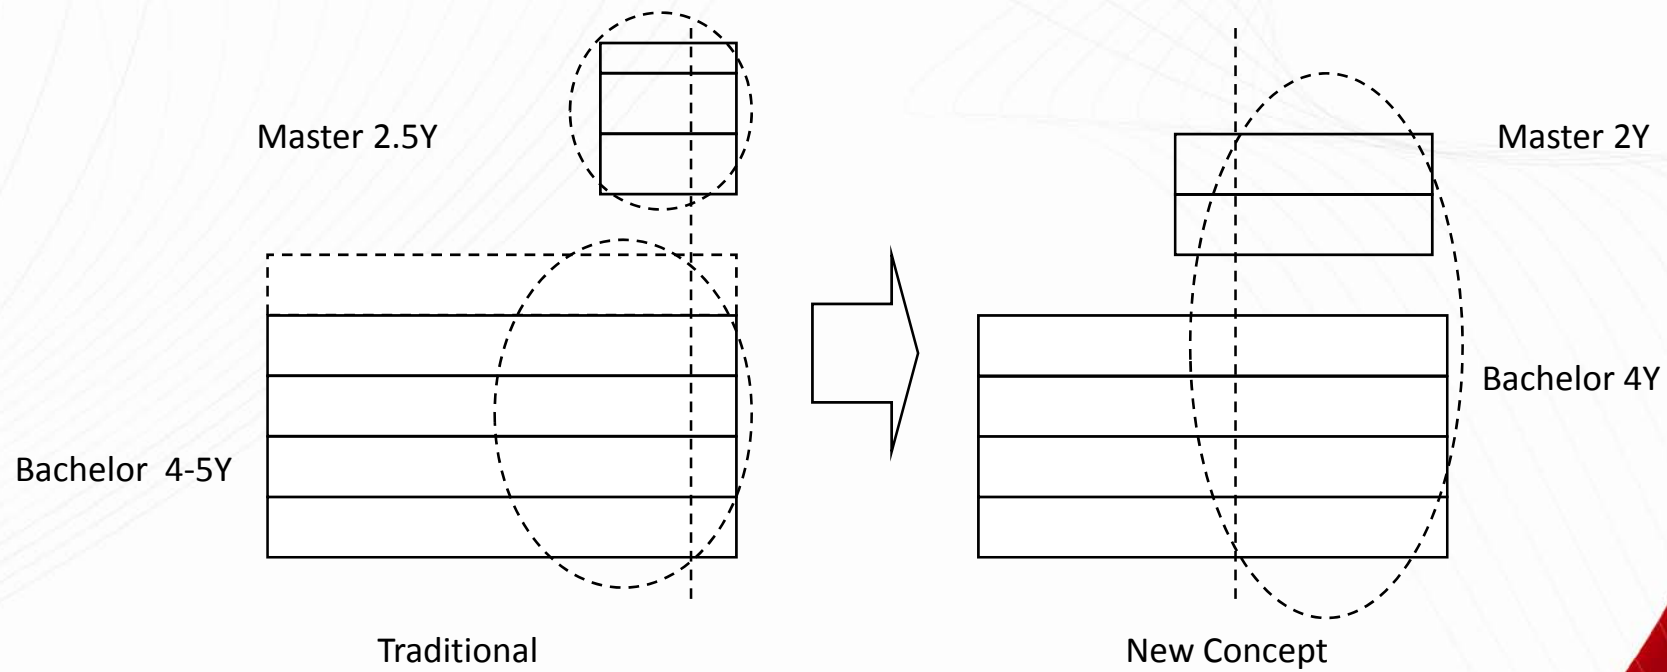

Joint Cooperation with Chinese Universities

- **Joint observing laboratories along Yangtze River with more than ten Chinese universities**
- **Sino-French joint research program in ENVIRONMENT involving several universities like Shanghai Jiaotong Uni., HEHAI University, etc.**
- **Sino-French intergovernmental research program in multi-core CPU (Tongji serves as Chinese consortium leader and CEA as French consortium leader)**

Elite Engineering Education: “4+2” Model

** Background: “Engineering Education Reform” in China*

Goal of the Reform: 3 “I”

Focus on “**I**nnovation”

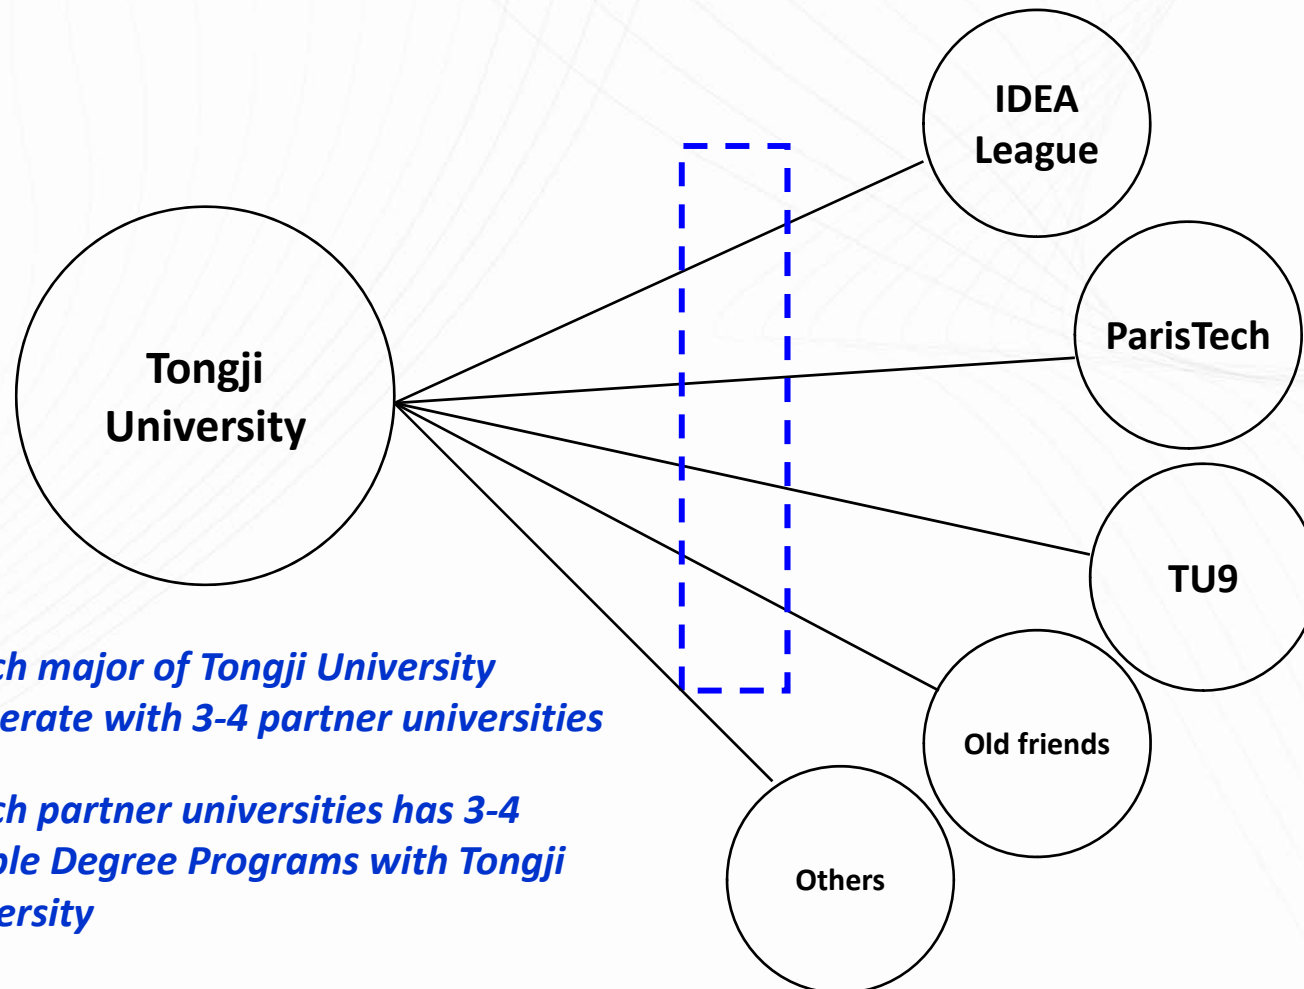

Face to “**I**ndustry”

Towards “**I**nternationalization”

Till now, Tongji University 69 Double Degree or Joint Degree Programs with German, France, Italy, etc.

- **Mechanical Engineering**
(RUB, Arts-Métiers ParisTech, ENSIB, UP Milano, UP Torino)
- **Architecture & Urban Planning**
(Bauhaus Univ. Weimar, TU Berlin, ENTPE & Lyon 2, ENSABP)
- **Electronics & Telecommunication Engineering**
(TUM, FH Esslingen, Télécom ParisTech, UP Milano, UP Torino,)
- **Automotive Engineering**
(TU Berlin, Univ. Stuttgart, FH Wolfenbuettel, Arts-Métiers ParisTech, ENSIETA)
- **Civil Engineering**
(Ponts ParisTech, ENTPE, ESTP, Trento Uni.)

Elite Engineering Education: *We want to do more...*

** Each major of Tongji University cooperate with 3-4 partner universities*

** Each partner universities has 3-4 Double Degree Programs with Tongji University*

Thank you!

Merci!
